Electric Easement

For and in consideration of the sum of \$ -0- and/or other consideration paid, receipt of which is hereby acknowledged, I/we, William J & Melissa F Humphreys, herein after referred to as the Grantor, grant unto the Harriman Utility Board (HUB), operating agency for the City of Harriman, Tennessee, a perpetual easement described as follows:

A strip twenty feet (20') in width, lying ten feet (10') on either side of the center line of an electric power distribution line to be installed on the herein after described property at location known and agreed to by the parties hereto; for the purposes of installing, operating, and maintaining said electric power distribution line, as well as rights of ingress and egress to and from said line for these purposes over the following described property:

Situated in the 02 Civil District of Roane County, Tennessee, being that the property owned by the Grantor and referenced by deed, or deeds, of record in the Office of the Registrar for Roane County, Tennessee, as described in Deed Book C18, Page 405, and shown on the Roane County Tax Map Number 027, Parcel No. 162.02.

This conveyance is made subject to the following restrictions and guidelines:

- A. No Building or other structure, other than fences, will be constructed or located within the described easement area, nor will trees be planned without the express written permission of the Harriman Utility Board (HUB).
- B. Initial right of way clearing shall be performed by the Grantor, or the party the line is being built to serve if different from the Grantor, according to the Harriman Utility Board (HUB) specifications as follows:
 1. All trees and underbrush shall be cleared within the thirty foot (30') right of way, including any and all limbs protruding into said right of way so that the finished right of way shall be cleared from ground to sky.
 2. Any dead or leaning trees which may constitute a future hazard to the line shall also be removed or topped as necessary, even if they are outside the prescribed easement area.
- C. If underground facilities are to be installed, the right of way shall be cleared as described above. In addition, all stumps, rocks, or other obstructions shall be removed, and the entire thirty feet (30') easement area graded to within two inches (2") of final grade.
- D. The Harriman Utility Board (HUB) shall have the right to trim, cut, or remove any tree(s), shrub(s), or other obstruction(s) placed on said easement area which, in its opinion, interferes with the safe and efficient operation of its facilities.
