B 2 the land to walnut Hill. PS

GRANT OF EASEMENT

#157

THIS INDENTURE, made and entered into by and between the United States of America (hereinafter sometimes referred to as the "Grantor"), acting herein by and through its legal agent, the Tennessee Valley Authority (hereinafter sometimes referred to as the "Authority"), a corporation created and existing under an Act of Congress, known as the Tennessee Valley Authority Act of 1933, as amended, and

CITY OF HARRIMAN

hereinafter called the "Grantee,"

WITNESSETH:

WHEREAS, Section 31 of the above mentioned Act of Congress authorizes and directs the Authority, as agent of the United States of America, to sell at public auction after due advertisement to the highest bidder any land purchased by the Authority in the name of the United States of America not necessary to carry out plans and projects actually decided upon; and

WHEREAS, no permanent dam, hydroelectric power plant, fertilizer plant, or munitions plant is located on the land hereinafter described, and the Board of Directors of the Authority has determined that the use of said land for road purposes as hereinafter defined and subject to the exceptions hereinafter set forth, is not necessary to carry out any of its plans and projects actually decided upon; and

WHEREAS, the Authority pursuant to and in accordance with the provisions of said Act of Congress advertised the permanent easement and right of way on, over, and across the said land for sale at public auction; and

NOW, THEREFORE, in consideration of the premises and the full payment of the aforesaid bid, receipt whereof is hereby acknowledged, the Authority as legal agent for the United States of America does hereby bargain, sell, transfer, and convey unto the Grantee:

TRACT NO. XWBR-630H:

A permanent easement and right of way subject to the exceptions, reservations, restrictions and covenants hereinafter set forth on, over, and across the hereinafter described land for the following purposes, to-wit: the right to enter upon the said land and in accordance with plans approved in advance and in writing by the Authority to grade, level, fill, drain, pave, build, maintain, repair and rebuild a road or highway, together with such bridges, culverts, ramps, and cuts as may be necessary for a road on, over, and across a parcel of land located in the City of Harriman in the First Civil District of Roane County, State of Tennessee, on the northwest side of the right of way for the Southern Railway, approximately 200 feet north of the mouth of the Barnett Branch Embayment of the Emory River Arm of Watts Bar Lake, the said parcel being more particularly described as follows:

Beginning at US-TVA Monument 41-3-57 (Coordinates: N. 567,963; E. 2,432,384) at the intersection of the southeast line of Beech Street with the southwest line of Hickory Street and at a corner in the boundary of the United States of America's land; thence with the United States of America's boundary and the southeast line of Beech Street N. 42° 51' E., 41 feet to a metal marker; thence, leaving the United States of America's boundary and Beech Street, S. 4° 13' E., 92 feet to a metal marker; thence S. 39° 24' E., 28 feet to a metal marker in the northwest line of the land on which easement rights for a sewage pumping station are to be conveyed by the Tennessee Valley Authority in the name of the United States of America under the designation of Tract No. XWBR-628SP; thence with the line of Tract No. XWBR-628SP S. 50° 36' W., 56 feet to a metal marker at the most westerly corner of the said tract; thence, leaving the boundary of Tract No. XWBR-628SP, N. 4° 13' W., 118 feet to the point of beginning, and containing 0.09 acre, more or less.

Furthermore, the right to construct and maintain a water pipeline and a sewer line over the right of way hereinabove described.

The positions of corners and directions of lines are referred to the Tennessee Coordinate System. The boundary marker designated "US-TVA Monument" is a concrete monument capped by a bronze tablet imprinted with the given number.

The above described land was acquired by the United States of America by virtue of the deed from J. A. Pierce et ux dated January 9, 1942, recorded in Deed Book V, Vol. 5, Page 170, in the office of the Register for Roane County, Tennessee.

It is understood and agreed that the easement on, over and across the above described land is conveyed subject to such rights as may be vested in third parties in a right of way for a road and a right of way for a telephone line.

It is understood and agreed that the easement on, over and across the above described land shall not be in derogation of but subject to the paramount rights of the United States of America and the Tennessee Valley Authority to construct, maintain, use, and repair an electric power transmission line.

It is expressly understood and agreed that there are excepted from this conveyance and specifically reserved to the Grantor, and its assigns, the permanent and paramount right to temporarily and intermittently flood that portion of the land affected by the above described easement and right of way which lies below the 768-foot contour elevation by virtue of the erection and operation of any dam or dams across the Tennessee River and its tributaries, and the further right to temporarily and intermittently flood any portion of any road providing access to the area affected by the easement and right of way conveyed hereby which lies below the 768-foot contour elevation.

The easement rights herein described are conveyed subject to and shall not in any way interfere with the paramount rights of the Tennessee Valley Authority and the United States of America to conduct the Authority's statutory programs for river control and development, including, but without limitation by reason of lack of specific enumeration, the Authority's right to do anything it deems necessary or desirable to promote public health, flood control, navigation, and other essential programs.

THE GRANTEE, in accepting this conveyance, covenants for itself, its successors and assigns, and agrees to and with the Grantor that the following shall constitute real covenants which shall attach to and run with the above described easement and right of way and shall be binding upon anyone who may hereafter come into ownership thereof, whether by purchase or succession:

(1) In the interest of public health and sanitation and in order that the land above described and all other land in the same locality may be benefited by a decrease in the hazards of stream pollution and by the protection of water supplies, recreation, wildlife, and other public uses of Grantor's reservoir waters and shorelands, it will not use the above described road easement for any purpose that would result in the draining or dumping into the reservoir of any refuse, sewage, or other material which might tend to pollute the waters of said reservoir.

3×3

(2) The Grantor, its successors, agents, or assigns shall not be liable for any loss or damage to the above described easement and right of way or any improvement located thereon due to erosion or soakage of the land as a result of wave action, fluctuation of water levels, or other causes.

THE GRAVEE, in accepting this conveyance, covenants for itself, its successors and assigns, and agrees to and with the Grantor that the following shall constitute real covenants which shall attach to and run with the above described easument and right of way and shall be cinding upon anyone who may hereafter come into ownership thereof, whether by purchase or succession:

- (1) In the interest of public health and sanitation and in order that the land above described and all other land in the same locality may be benefited by a decrease in the hazards of stream pollution and by the protection of water supplies, recreation, wildlife, and other public uses of Grantor's reservoir waters and shorelands, it will not use the above described road easement for any purpose that would result in the draining or dumping into the reservoir of any refuse, sewage, or other material which might tend to pollute the waters of said reservoir
 - (2) The Grantor, its successors, agents, or assigns shall not be liable for any loss or damage to the above described easement and right of way or any improvement located thereon due to erosion or scakage of the land as a result of wave action, fluctuation of water levels, or other causes.

TO HAVE AND TO HOLD said easements and rights of way unto the Grantee, its successors and assigns, forever.

And the Authority does hereby covenant that the United States of America is seized and possessed of the above described land; that the Authority as legal agent of the United States is duly authorized to convey the above described and defined easements and rights of way on, over, across, through, or under the same; that said land is free and clear of liens and encumbrances; and that, subject to the exceptions, conditions, restrictions and/or limitations expressly mentioned above, it will warrant and defend the title thereto against the lawful demands of all persons claiming by, through, or under the United States of America, but not further or otherwise.

Wherever in this instrument the context requires, the plural number and masculine gender as herein used may be read as singular and feminine, or neuter, respectively.

IN WITNESS WHEREOF, the Tennessee Valley Authority, acting herein as legal agent of the United States of America, and being duly authorized to do so, has caused this instrument to be executed, in the name of the United States of America, by its authorized officers, and its corporate seal to be hereunto affixed , 1960 . 26 day of July
