

GRANT OF TRANSMISSION LINE EASEMENT

FOR AND IN CONSIDERATION of the sum of

- - - FORTY-THREE and 59/100 - - -

Dollars (\$ 43.59),

cash in hand paid, receipt whereof is hereby acknowledged, we, the undersigned,

R. M. HALL, a single man,

have this day bargained and sold, and by these presents do hereby grant, bargain, sell, transfer, and convey unto the United States of America, a permanent easement and right-of-way, for the following purposes, namely: the perpetual right to enter and to erect, maintain, repair, rebuild, operate, and patrol one or more electric power transmission lines, and one or more telephone and/or telegraph lines, including the right to erect such poles and other transmission line structures, wires, cables, and any necessary appurtenances; the right to clear said right-of-way and keep the same clear of brush, timber, inflammable structures, and fire hazards; and the right to remove danger trees, if any, located beyond the limits of said right-of-way; all over, upon, across, and under the following described land, to-wit:

A certain tract or parcel of land lying in the 1st Civil District of Roane County, Tennessee, containing 30 3/4 acres, more or less, being the same property conveyed to R. M. Hall by deeds of the Harriman Land Company, dated 18 March 1902, recorded in Deed Book T, Vol. 3, page 56, and one dated 3 November 1905, recorded in Deed Book T, Vol. 3, page 65, Register's Office, Roane County, Tennessee.

The easement and right-of-way hereby granted covers a strip of land 100 feet in width across the above described lands, and is more particularly located and described as follows:

TRACT NO. HP-14

A strip of land for a transmission line right of way 100 feet wide, lying 50 feet on each side of the center line of the Harriman-Petros transmission line location, in the First Civil District of Roane County, Tennessee, as shown on a map filed in the Recorder's office of Roane County, through the land of R. M. Hall, the center line of the location through the land of R. M. Hall being more particularly described as follows:

Beginning at a point where the center line crosses a fence and the west line of R. M. Hall's land, which is the east line of Charles S. Smith's land, at survey sta-

tion 109 / 29 on the center line of the transmission line location, said point being S. 27° 42' E., 151 feet from a corner of the lands of R. M. Hall, Charles S. Smith, and Willard Hall et al; thence N. 74° 06' E., 193.1 feet to a point where there is an equation in stationing on the center line survey, survey station 111 / 22.1 on the line back of this point being equal to survey station 61 / 98.7 on the line ahead; thence N. 63° 45' E., 986.3 feet to a point where the center line crosses a fence and the east line of R. M. Hall's land, which is the west line of W. M. Hannah's land, at survey station 71 / 85, said point being S. 2° 53' W., 600 feet from a corner of the lands of R. M. Hall, and W. M. Hannah.

The above described strip of land is a continuous right of way 100 feet wide through said property between the above named west and east property lines and has a net length of 1179.4 feet along the center line.

TO HAVE AND TO HOLD the said easement and right-of-way to the United States of America, its successors and assigns, forever.

We covenant with the said United States of America that we are lawfully seized and possessed of said real estate, have a good and lawful right to convey the same, that the same is free of all encumbrances, and that we will forever warrant and defend the title thereto against the lawful claims of all persons whomsoever.

We do further covenant and agree that the payment of the purchase price above stated is accepted by us as full compensation for all damage incidental to the exercise of any of the rights above described, including any depreciation in the value of the land resulting from the granting of this easement; EXCEPT that the United States of America shall remain liable for any additional damage which may be caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees, in the erection and maintenance of said lines.

IN WITNESS WHEREOF, we have hereunto affixed our signatures, this 22 day of July, 1940.
