A certain tract or parcel of land situated in the First Civil District of Roane County, Tennessee, containing 40 acres, more or less, and being the same land conveyed to Sarah F. Martin by Mary C. Nelson by deed dated March 6, 1929, and recorded in Deed Book Y-4, page 357, in the Register's office of Roane County, Tennessee, to which deed reference is hereby made for a more particular description of said land.

The easement and right-of-way hereby granted covers a strip of land 100 feet in width across the above described lands, and is more particularly located and described as follows:

A strip of land for a right of way lying in the First Civil District of Roane County, Tennessee, as shown on a map entitled "Harriman-Rockwood Transmission Line" filed in the office of the Register of Roane County, said strip being 100 feet wide, lying 50 feet on each side of the base line of a survey for a transmission line location, the base line of the survey being more particularly described as follows:

Beginning at a point where the base line crosses the northeast line of Sarah F. Martin's land, which is the southwest line of Annie Isham's land, at survey station 163 + Q, on the base line of the survey, said point being N. 31° 17' W.,
