We do further covenant and agree that the payment of the purchase price above stated is accepted by us as full compensation for all damage incidental to the exercise of any of the rights above described, including any depreciation in the value of the land resulting from the granting of this easement; EXCEPT that the United States of America shall remain liable for any additional damage which may be caused to the property of the undersigned by its construction forces or by the construction forces of its agents and employees, in the erection and maintenance of said lines.
