
NOTES:

All Ls 2"x2"x3/16", or noted.
Plating No.16 ga. steel.
Frame to be welded complete & plating to be bolted with 1/4" Button Hd. Bolts spaced abt. 6" o.c.
Contact areas to be painted with red lead paint and linseed oil before assembling.
Inside of box to be coated with acid resisting paint.
Outside of box to be painted with aluminum paint.

APPROXIMATE WEIGHT: ~ 975#

NOTES:~
All joints to be welded.
Anchor bolts supplied with foundation.
Shop paint one coat of red lead.
Exercise care in assembling box to prevent excessive warpage.

REFERENCE:~
Foundation Drawing - - - - - - SC-23266

Added Lifting ears - Total Wt. was 959#
2 4-1-59
Revised Latch Assembly A20
1 1-31-58
Added or revised notes for attaching screen and note on warpage.
